

LOT | LIGHTS OF TUSCANY 2025

Illuminating the Unknown

WHEN AND WHERE?

Mark your calendars! **From May 15th to 19th**, join us in the cities of **Pisa and Florence** for a five-day event packed with science, cultural exploration, and networking opportunities with fellow physics students from around the globe.

Check out our website!

<https://ai-sf.it/lot/>

WHO CAN APPLY?

We welcome **physics students at all levels**—late bachelor's, master's, and PhD—from universities worldwide. Lights of Tuscany will inspire you to see science in a whole new light.

Don't miss this opportunity!

WHAT AWAITS YOU AT LOT25?

- **Explore Scientific Excellence:** You'll experience diverse applications of optics, photonics, quantum technologies, condensed matter physics, and gravitational wave detection; and visit worldwide renowned institutions.
- **Attend the cycle of Seminars** "Illuminating the unknown" led by our experts and researchers.
- **Networking opportunities:** Social events will ensure plenty of opportunities to unwind and foster international friendships with fellow participants.
- **Receive LoT25 gadgets** personalized for you, such as t-shirts, stickers and badge.
- **Explore Tuscany's Treasures:** Wander through UNESCO World Heritage sites like Pisa's Piazza dei Miracoli and Florence's museums.

VISIT CUTTING-EDGE FACILITIES

- The VIRGO site of the European Gravitational Observatory (EGO)
- The Italian National Research Council (CNR)
- The National Institute for Nuclear Physics (INFN)
- The European Laboratory for Non-linear Spectroscopy (LENS)
- The University of Pisa
- The University of Florence
- The Sant'Anna School of Advanced Studies in Pisa
- The Galileo Museum in Florence
